Friction Reduced Rod Seal

# ► FR200<sup>®</sup>

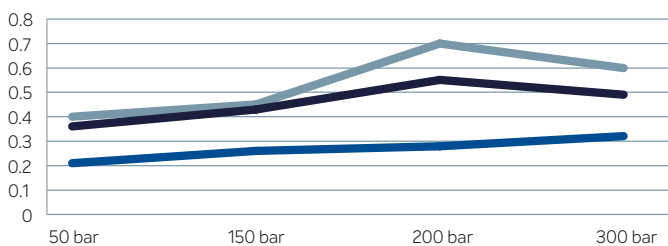

## Friction Reduced Rod Seal

Kastas sets the new standards for rod seals by **FR200<sup>®</sup> Friction Reduced Rod Seal**. FR200<sup>®</sup>, product of years of research, design, development, testing, assures all requirements that are expected from a modern rod seal. **FR200<sup>®</sup>** offers lower friction and a reliable pressure relief ability compared to other U-Cups without compromising from low leakage and long service life.

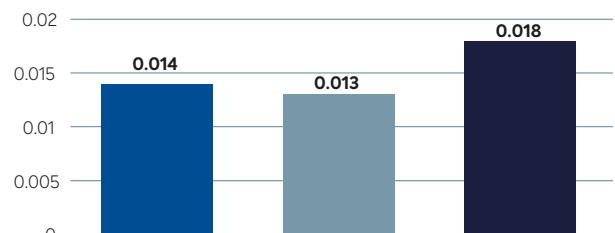

- **Low Friction**
- **Low Leakage**
- **Pressure Relief**

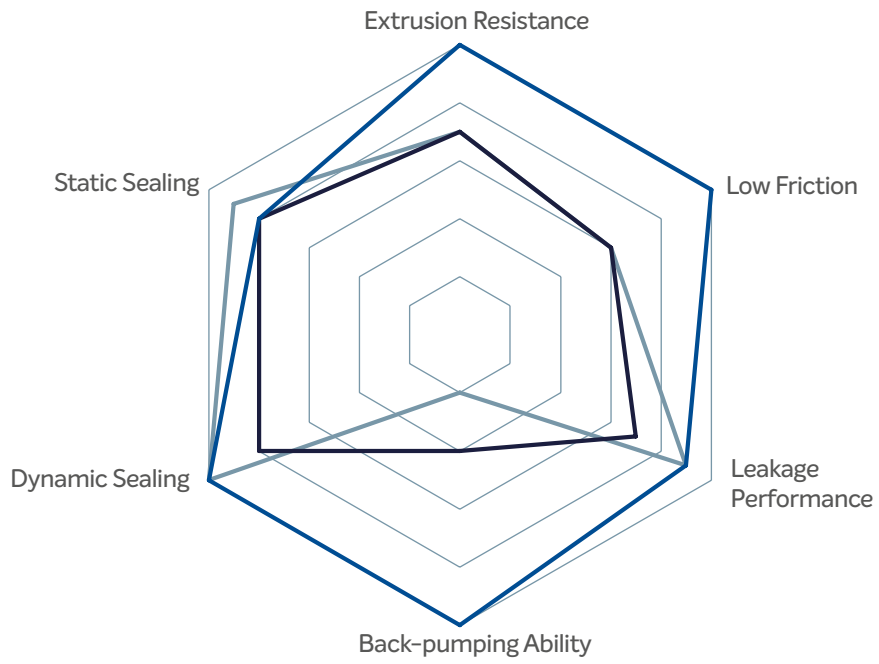

**Friction Forces (kN)**

**Leakage (ml/100m)**

## Comparison of Properties

## Areas of Application

Forklifts

Agriculture Machinery

Material Handling

Loading Platforms

Platform Lifts

Plastic Injection Moulding Machinery
